ORGANIZATION (NATO) MILITARY PERSONNEL

Ref: (a) DOD Directive 4165.63 of 8 Jan 2005
(b) OPNAVINST 11101.13J
(c) OPNAVINST 11101.42

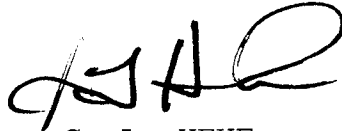

1. Reference (a) states the housing policy is the responsibility of the Installation Commander with broad authority to decide the best use of military family housing (MFH) resources. References (b) and (c) permit assignment and occupancy by accompanied NATO military personnel to the excess housing located on Gricignano support site and this letter approves that assignment action. Effective 1 September 2006, accompanied NATO military personnel will be allowed to place their name on the waiting list to reside in Support Site housing only. Assignment to housing will be based solely on family size and composition.

2. As discussed in references (b) and (c) it is Navy policy to establish fair and reasonable charges for occupancy of government housing. The established dollar amount and process for payment will be thoroughly discussed prior to check-in with all NATO military personnel. All relocation costs incurred are the sole responsibility of the military member.

3. Support Site housing allows residents to have two micro-chipped, neutered/spayed cats. Residents are not allowed to have dogs in the Gricignano support site housing. Occupancy by NATO military personnel would be for a maximum of three years, reviewed yearly.
